

Glass Marble Candle
Designed by Ann Butler Designs for Velcro USA

:

VELCRO® Brand Clear Coin Fasteners make it easy to attach flat backed marbles to a glass votive for a cute accent candle. Crafters will find this project easy to complete in about 30 minutes.

Instructions:

Engage hook (rough) & loop (soft) of a VELCRO® Clear Coin fastener by pressing together.

Remove liner from back of loop side and press flat backed marbles to adhesive backing.

Remove adhesive liner from hook side and press to side of small glass votive

Repeat to decorate votive with more flat backed marbles

Tip: Place first marble on votive then place second marble across from it and work around the candle this way to evenly space marbles..
